

Welcome to the 2011 Golf Season!

Cedar Ridge Golf Course Ltd. ("Cedar Ridge") offers an excellent golf experience by providing guests with an 18-hole Par 3 golf course that can be enjoyed in less time than a full size course while still providing challenges to the practiced golfer and attainable successes to the beginner. There is also a log constructed driving range with heated stalls allowing for year-round practice.

Located on desirable real estate in west Mission, this facility has been designed by Greg Currie, a golf veteran of the Canadian circuit, and one of the owner/operators of Cedar Ridge. Lee Boyce and Greg Gunn, two professionals, assisted in the shaping of Cedar Ridge and have also assisted with golf courses designed by Jack Nicklaus and Arnold Palmer. Ryan Currie was the finisher. The 26.5 acres of well-maintained greens and mature landscape is set against the beautiful backdrop of the Cedar Valley. Cedar Ridge is developed on highly preferred land for golf development. A sandy soil base allows for early and late season golfing opportunities.

Cedar Ridge is committed to providing the highest quality venue for your golf tournament, outing or event. Our facility is unique to its environment and is backed by outstanding guest service. Cedar Ridge is equipped with all the amenities you will need to run an exceptional golf experience including; outstanding organizational support, full service retail shop, exceptional practice facilities and outdoor covered patio dining.
